- Rhode Island Executive Office of Health and Human Services (EOHHS) recommendations
- Clinical Medical Policies (CMP)

It is the provider's responsibility to verify eligibility, coverage and authorization criteria prior to rendering services.

Apply modifiers that affect payment in the first modifier field, followed by informational modifiers.

Modifier 50 (bilateral procedures)-

- Report bilateral procedures on a single claim line with a unit of 1 and modifier -50.
- Do not report bilateral procedures with modifier RT and LT on 2 separate lines.
- CPT or HCPCS codes with 'bilateral' or 'unilateral or bilateral' written in the description should not be billed with modifier -50.

Modifier 51 (multiple procedures)-

- Report procedures with the highest allowed amount without the multiple procedures modifier -51.
- Report additional procedures performed by the surgeon on the same day with modifier-51.
